

MA-205 Autumn 2012 Final Examination

Instructions

Read the following instructions before starting your answers.

- You will be given ROUGH SHEETS along with these instructions, which have to be used only for rough work. Write your roll number on it.
- You will be given Question-cum-Answer sheets when the exam begins. • No supplements will be given.
- Write your Roll Number, Name etc. on the first page at the top in the space provided for the same. Not filling up these information may cause you minus 2 marks to entire half semester, because such papers may not be evaluated.
- Complete answer should be written in the space provided just below the corresponding question.
- All questions are compulsory.
- The weight-age for this exam is 40 marks, i.e., 50% of your total score.
- All answers should be written in the space provided for them just below the questions. Answers written elsewhere will **not** be evaluated.
- At the end of the exam, deposit only the Question-cum Answer sheet with the invigilator. The rough sheets will not be collected.
