

# **Manifesto**

**Name:** Dhruv Arora

**Post:** Department Placement Coordinator for M.Sc. Mathematics

**Course:** M.Sc. Mathematics

## **Initiatives:**

- Make students aware of the placement policy, incentive points and penalty points
- Create an environment for students for making an informed decision in choosing placements or higher studies by getting in touch with seniors or experts from industry and academia
- Conduct regular Aptitude Tests, Guesstimates, Coding Tests, Programming Sessions for helping students in their placement preparation
- Motivate students into taking online courses like graph theory, data structures for expanding their skill set
- Conduct frequent group discussions within the department students and also with other departments students for placement preparation
- Extend the database of interview questions and aptitude tests from the past placement seasons of alumni to give idea to the students of what type of questions are asked in the examination
- Help students in improving their communication skills
- Actively take suggestions from students about their needs and try to cater to what all can be done in the interest of the students

## **Responsibilities:**

- Provide necessary material for placement preparation to the students and keep a discussion session for everyone to understand the material better
- Organize buddy talks, so that students can learn the experience of alumni in the industry, and also, they can understand real expectations of companies from students
- Conduct mock interviews with the help of alumni support
- Be quick in informing/delivering any message to the students related to placements
- Motivate students to earn incentive points over the preparatory period
- Pitch the department to various companies with relevant profiles to help students avail more opportunities in the placements

I will make my best efforts to make the placements better for every student and help them prepare during the course. I intend to work with utmost care and honesty and carry out my responsibilities in an efficient manner.

Dhruv Arora
