

MA 524 : Algebraic Number Theory

Plan of Lectures in the first half of the semester

The first half of Spring 2012 corresponds to the 7 week period January 2 – February 19, which translates to 14 lectures of one and half hour duration. We will hold these lectures on the following days:

January 4, **10**, 11, 13, **17**, **24**, 25, **31**

February 1, **7**, 8, 10, 15, 17

The days marked in boldface are Tuesdays while the others are Wednesdays and Fridays. Note, in particular, that there will be no lecture on Friday, January 6, 20, 27 and February 3 as well as on Wednesday, January 18.

On Wednesdays and Fridays, we will meet during 11.05 am – 12.30 pm in Room 215, whereas on Tuesdays. we will meet during 10.05 am – 11.30 am in Room 216, Dept. of Mathematics.
